2021 Membership and Water Quality Fund Donation Form

WATER QUALITY FUND DONATION

Water Quality Fund Donation

Suggested household donation is \$300

Our association's main objective is to preserve and sustain the health of our historic lakes. We need your support! It is imperative that each household/camp contribute to the BLA Water Quality Fund. If we all donate, we can afford to keep the lakes clean, free of algae, weeds and invasive species. Based upon the number of households/camps and the anticipated expense, the current suggested donation is \$300. Your donation is tax deductible.
